The Applegate Valley Community Newspaper, Inc. (AVCN) is a nonprofit 501(c)(3) corporation dedicated to the publication of the *Applegater* newsmagazine, which, we feel, reflects the heart and soul of our community.

Our Mission

The goal of the Applegate Valley Community Newspaper, Inc., is to provide the Applegate watershed with a communication vehicle, the *Applegater*, that will provide educational information, increase community networking, and represent all the area's diverse communities. Through honest, constructive, relevant, and entertaining reports on a wide variety of subjects and viewpoints, including our natural resources, historical and current events, and community news, we can work together to enhance the quality of life we have in the Applegate, and continue to make a difference in our valley.

Corrections

A reference on page 11 of the winter *Applegater* to a descendant of Si and Martha Messenger living near Pacifica should have said Joyce Messenger is the great-granddaughter of Si and Martha, not the great-great-granddaughter.

The *Applegater* is committed to publishing accurate information in its news articles, correcting errors of fact, and clarifying misleading statements. Send suggested corrections to Editor in Chief Bert Etling at bert@applegater.org or call 541-631-1313.
